The necessity for a typewriter to the school has been explained by the Deputy Commissioner, Mysore in his letter dated 28-8-1947 and I agree with him. The cost of the typewriter cannot be met out of the equipment grant of the school as proposed under para 10 of the Secretariat file as no equipment grant has been sanctioned to the school this year. The recommendation of the Deputy Co missioner to purchase a typewriter to the school may be approved, the cost being met out of the amount stated to have been provided in the budget of the school for 1947-48.
